## *Supporting people who need help at home...*

Hica has years of experience in supporting people to continue to live in their own homes, delivering outstanding personal and specialist care. After listening to our service users, we're now expanding the services we deliver to include:

- Domestic and handyman services
- Cleaning
- Gardening

We offer competitive prices and real peace-of-mind from an organisation you know you can trust. So if you need that extra bit of help and support... a leaky tap to fix, the garden tidying, a new shelf putting up or just about anything else that you can think of, **contact us now and speak to one of our experienced team members.**
